

# Fingerprinting

There are many ways to get involved and support your student(s) and Riverview throughout the year.

**We always need volunteers** to help support the PTA and school events put on for the students and staff.  
**To ensure these events run smoothly throughout the year, we need YOU!!!**

## **IN ORDER TO VOLUNTEER YOU MUST BE FINGERPRINTED**

- Fingerprinting is required to volunteer for PTA and School sponsored events
- Fingerprinting is required for PTA members and non-members to volunteer
- Fingerprinting is required each school year (expires annually)
- Fingerprinting is FREE through the district
- **Fingerprinting is offered at the first PTA meeting of the year (first Tuesday in September)**
- Fingerprinting can be done at the District Central Office, simply call to make an appointment
- Fingerprinting could take several weeks so please consider getting it done early

**Please get fingerprinted and volunteer to help continue our PAW-some events at Riverview Elementary!**
